Areas Covered

To ensure prompt response for our clients our geographical reach presently includes Nelspruit, White River, Naas, Malalane, Komatipoort, Kamshlushwa. As the steady growth of ACS SECURITY proceeds it will enable us to offer our same quick security response in ever increasing areas beyond the present ones.

About the Company

ACS Security company ethic is to ensure your peace of mind by giving the highest quality security service possible. To achieve this we carefully select our staff to suit the company culture and ethics of putting our client's security first.

Furthermore we also give superior training and foster team work and unity. To encourage staff loyalty we elect to give preference to selecting staff from the local communities.

Staff initiatives

Team building meetings are held to encourage staff to put forward ideas and suggestions to improve the overall performance and effectiveness of the staff and company.

Future initiatives will include skills development and incentive programs to allow for staff to find their niche within ACS Security. It will also encourage personal growth and self confidence. Long term we envisage that strong leadership examples will arise out of this which will positively affect not only ACS Security but also the community as a whole. Furthermore, we consider our staff to be part of our team and always offer promotional opportunities to existing staff before going external.

Achievements

The steady growth of ACS Security and the acquisition of new clients across all sectors of both business and private, indicates that our Mission and Vision is in line with the demands of the market place and that we are creating service delivery satisfaction.
